

17565.txt

Please find the required revisions for your paper as follows:

- \* Strictly follow the Journal Format.
- \* Check the variations in the font
- \* The language has to be verified.
- \* You can include the literature part as Section 2 but not after defining the problem statement.
- \* The conclusion is not appropriate.
- \* All the latest references have to be cited. Avoid references earlier to 2014.
